

Nouha Mkhinini

SOC Analyst | Cybersecurity Analyst

Email: nouha.mkhinini@gmail.com | LinkedIn: linkedin.com/in/nouha-mkhinini | Portfolio: <https://nouha-mkhinini-portfolio.netlify.app/>

SUMMARY

Cybersecurity Analyst with hands-on experience in threat detection, incident response, and network security. Experienced in SIEM monitoring, MITRE ATT&CK mapping, and security operations across enterprise environments. Proven ability to investigate incidents, implement security controls, and strengthen detection capabilities through adversarial simulation and automation.

CORE COMPETENCIES

SIEM (Wazuh, Splunk, Elastic) | Incident Response | Threat Detection | MITRE ATT&CK
Network Security (VLANs, VPNs, Firewalls) | Security Monitoring | Detection Engineering
Scripting (Python) | Active Directory | Windows & Linux | Security Operations
Tools: Security Onion, Suricata, Metasploit, Kali Linux

PROFESSIONAL EXPERIENCE

IT Network & Security Administrator

DI VISTA DESIGNE — Sousse, Tunisia | Mar 2025 – Present

- Supported 50+ endpoints and POS systems, resolving 90% of incidents within SLA
- Maintained LAN/Wi-Fi networks, ensuring 99%+ uptime and quick issue resolution
- Applied security best practices (patching, backups, access control), reducing risks by ~30%
- Conducted preventive maintenance, resolving 20+ issues and improving documentation
- Documented incidents, resolutions, and procedures to improve operational efficiency

Networking & IT Instructor

IMSET — Sousse, Tunisia | Oct 2025 – Jan 2026

- Delivered training on secure network design, segmentation, and protocols to 30+ students
- Supported troubleshooting of 50+ network issues in lab environments
- Designed hands-on labs aligned with industry networking and security standards

Cybersecurity Intern

Vision Age VFX — Sousse, Tunisia | Feb 2025 – Jun 2025

- Conducted risk analysis on 50+ endpoints contributing to TPN+ compliance
- Configured secure network architecture (Sophos Firewall, VLANs, VPN, Active Directory)
- Developed Python-based automation tool reducing manual processing time by 70%
- Created technical documentation supporting audits and security compliance

EDUCATION

Master's Degree in Cybersecurity — 2025

Higher Institute of Computer Science and Communication Technologies, Sousse

Bachelor's Degree in Information and Communication Technologies — 2023

Higher Institute of Computer Science and Communication Technologies, Sousse

ADDITIONAL INFORMATION

Certifications: Cisco CyberOps Associate | CCNA (SRWE) | CompTIA Security+ (In Progress)

Languages: English (C1), French (B2), Arabic (native)
